Reflex was developed with a third-party partner to emphasize a player-centric multiplayer experience. With Reflex, casual gamers have a more social, self-paced experience, where they compete and socialize in a wide variety of game modes and maps over a variety of online game types, including deathmatch, team deathmatch, and capture the flag. The game will be free-to-play with in-game item purchases. As with all PopCap games, Reflex features highly popular mini-games like Bejeweled, Peggle, and Plants vs. Zombies, and it is currently optimized for the iPad, iPhone, and iPod touch. The game will be available on the App Store and Google Play in the near future.
